

SMART TRIAGE PAC

The ultimate practical solution for an effective triage! Used by the ambulance service during the bombing in London.

The SMART Triage Pac™ holds all the tools you need to carry out triage.

Compatible with START or any other triage assessment method, the SMART Triage Pac™ is useable by responders of any level.

The SMART Triage Pac™ contains 20 SMART Triage Tags™, the SMART Tape™, Light sticks for identifying casualties at night and it will fit over any duty belt.

By holding the key triage equipment for forward incident personnel it initiates a systematic and thorough response to the scene, which has proven invaluable in enhanced crisis control.
