

BERSERKER CHEST RIG

The Berserker Chest Rig is ultralight. Weighing only 1 lbs., it's manufactured from MATBOCK Ghost, a new fabric for them. In fact, expect a whole line made from MATBOCK Ghost.

The PALS compatible Berserker includes a bib as well as front and rear plate bags and removable cummerbund.

SPECS

- Internal dual comm pouches
- Side plate pouches
- The transition tabs allow you to cut the plates away while retaining wear of this chest rig:
