

# IWB KYDEX Holster for Glock 17/22/31

Hand Molded Adjustable Cant IWB KYDEX Holster for the lock G17, G22, and G31. These minimalist inside the waistband KYDEX Glock holsters protect your weapon from moisture while remaining extremely lightweight and durable. They are the perfect all around holster for every day concealed carry of your Glock G17, G22, or G31. These holsters are comfortable enough for everyday use and very easy to hide no matter how you are dressed.

*Not designed to be carried outside of the waistband.*
